

## **Alternate K-PREP: Understanding the Alternate Assessment Process**

**September 9, 2013  
Workshop #009-14**

**Green River Regional Educational Cooperative • 230 Technology Way • Bowling Green**

The Green River Regional Educational Cooperative Special Education Division is pleased to present *Alternate K-PREP: Understanding the Alternate Assessment Process* on Monday, September 9, 2013.

The Kentucky Alternate K-PREP was developed to provide schools and programs with a valid and reliable means of assessing the instruction provided to students with moderate and significant disabilities. Kentucky Alternate K-PREP is based upon two components: Attainment Tasks (AT) and Transition Attainment Record (TAR). The Kentucky Alternate K-PREP is designed to meet the requirements of the No Child Left Behind Act (NCLB) and Individuals with Disabilities Education Act (IDEA) 2004 amendments.

**In this session, the participants will be provided with an introduction to the Kentucky Alternate K-PREP process for those who are unfamiliar (0-2 years experience).** The two components of KAAP will be outlined and reviewed. In addition, the participants will have an opportunity to browse the Kentucky Alternate K-PREP website to become familiar with resources available and to take the required online quiz.

Each participant is required to bring the Kentucky Alternate K-PREP guide downloaded from the KAAP website.
